

Dear Han,

Congratulations on your acceptance to Cornell University! The College of Engineering is a vibrant, collaborative community whose goal is to work together to address some of the world's most pressing problems. It is an exciting time to be an engineer, and we hope you will join us.

Since 1965, our Master of Engineering programs have prepared students for the professional arena by providing advanced engineering studies, hands on practical experiences, and professional development training. Our interdisciplinary programs will enable you to tailor your M.Eng. experience to match your career goals.

Once again, congratulations! We look forward to welcoming you to our community.

Sincerely,

Lynden Archer  
Joseph Silbert Dean of Engineering
