Notification

Applicant's Full Name

Passport or ID No.

According to the official document from General Administration of Quality Supervision, Inspection and Quarantine of the People's Republic of China (AQSIQ financial document [2017]142), foreigners who apply for living, working or studying in China for one year or more must receive physical examination of infectious diseases. Every applicant who is required by relative Chinese laws and regulations to take physical examination of infectious diseases and/or yellow fever vaccination shall provide related documents as below to confirm the identity and purpose. If all the related documents are reviewed to be effective, the cost for items of physical examination of infectious disease and/or yellow fever vaccination will be free. If your documents can't prove that you meet the requirements of official document of AQSIQ based on the audit, you cannot get the free physical examination and/or yellow fever vaccination. You can choose to apply for the physical examination and/or yellow fever vaccination next time when you collect all the related proof documents.

Related proof documents include:

1.Foreigners who apply for living, working or studying in China for one year or more

(1)Applicants who want to settle down in China must provide proof of residence in China issued by administration offices.

(2)Applicants who want to work in China must provide valid visas, proof from State Administration of Foreign Experts Affairs P. R. China and proof of first time entering China.

(3)Applicants who want to study in China must provide valid visas, admission letters from school and proof of first time entering China.

2.Applicants for immunization of yellow fever

Applicants for immunization of yellow fever must provide the visa and plane ticket of epidemic country or area announced by WHO.

I have understood that I am required by relative Chinese laws and regulations to take physical examination of infectious diseases and/or yellow fever vaccination.
